

**Amendments to Nordea funds' rules as of 1 November 2018**

Amendments have been made to the rules of Nordea funds sold and registered in Finland. These amendments concern the funds' places of subscription and redemption. In future, the places of subscription and redemption for all funds sold and registered in Finland will be Nordea branches providing investment services.

This amendment is due to the change in Nordea's legal structure as Nordea Bank AB merges into Nordea Bank Abp on 1 October 2018.

You may also continue to submit orders by calling Nordea Customer Service or in Netbank. The common rules of Nordea funds will remain unamended.
