

Amendments to the common rules of Nordea investment funds

The board of directors of Nordea Funds Ltd has decided to amend the common rules of the Nordea funds registered in Finland so that holding a general unitholders' meeting will no longer be required. Under the new rules, the meeting may, however, be convened when the requirements subject to the Finnish Act on Common Funds are met.

In accordance with the new rules, unitholders may also be provided with statutory notifications by other means than by publishing them in newspapers. Furthermore, the rules have been updated by removing the reference to the permission to credit acquisition issued by the Finnish Financial Authority, which is no longer required by virtue of the Act on Common Funds.

The new common rules of Nordea funds will enter into force on 24 September 2019.
