

**Notice to the unitholders of Nordea Equity Core Fund**

We are renewing our fund selection with the aim of offering our customers high-quality investment products. As part of our efforts, we are amending the rules of Nordea Equity Core Fund.

After the amendment, the share of assets that Nordea Equity Core Fund is allowed to invest in other funds will change from 45% to 10% at maximum. In this connection, we will also change the fund's name. The new name, Nordea Global Equity Allocation Fund, describes the fund's investment policy better. The fund invests in the equities of developed markets with a well-diversified approach. These changes will become effective as of 29 July 2021.

The amendment to the rules requires no action from the unitholders. The Finnish Financial Supervisory Authority confirmed the amendment to the rules on 17 June 2021.
