The first 4 digits/characters of the password for online use, chosen by the cardholder (the remaining 4 characters are mailed to the cardholder after registration).		
<p>The above-mentioned card can be used for online payments when the card has been registered for the MasterCard SecureCode service and the cardholder has received the required password. The cardholder may pay for purchases to online merchants registered for the MasterCard SecureCode service. Merchants registered for the MasterCard SecureCode service can be identified by the MasterCard SecureCode service icon shown on their web page. Cardholders can obtain a new password by requesting it at a Nordea branch. If the password has fallen into possession of a third party, the card must be closed immediately by notifying the banks' blocking service of it: in Finland, tel (24 hrs a day) 020 333 or from abroad, tel (24 hrs a day) +358 20 333, or by visiting the nearest Nordea branch during its banking hours. The card's online use is closed by notifying a Nordea branch of it in writing.</p>		
As guardians of the above-mentioned cardholder we hereby give our consent to it that the cardholder may pay for online purchases of products and services with the card number and password. We also consent to it that the password may be delivered directly to the cardholder.

I hereby undertake to keep my password for online use carefully separate from my card information so that no third party can come into possession of it and combine it with the card information. I hereby also undertake to follow the payment instructions given on the web pages of Nordea, the MasterCard SecureCode service and the online merchants.
