The first 4 digits/characters of the password for online use, chosen by the cardholder (the remaining 4 characters are mailed to the cardholder after registration).	
<p>The above-mentioned card can be used for online payments when the card has been registered for the Verified by Visa service and the cardholder has received the required password. The cardholder may pay for purchases to online merchants registered for the Verified by Visa service. Merchants registered for the Verified by Visa service can be identified by the Verified by Visa icon shown on their web page. Cardholders can obtain a new password by requesting it at a Nordea branch. If the password has fallen into possession of a third party, the card must be closed immediately by notifying the banks' blocking service of it: in Finland, tel (24 hrs a day) 020 333 or from abroad, tel (24 hrs a day) +358 20 333, or by visiting the nearest Nordea branch during its banking hours. The card's online use is closed by notifying a Nordea branch of it in writing.</p>	
<p>As guardians of the above-mentioned cardholder we hereby give our consent to it that the cardholder may pay for online purchases of products and services with the card number and password. We also consent to it that the password may be delivered directly to the cardholder.</p>
